Update Report Parameters

COUNTER Report data is updated with prior month's data by the 5th business day each month. When the month's data is available, it will be visible in the date range drop down menus.

When using Excel 2013, click on the "Enable Editing" button in the yellow ribbon labeled Protected View in order to populate the number of monthly full-text downloads.

**Need Help?**

This dashboard allows you to view and access information, and get help for your institution. If you are a member, you may also view the member institutions. Please see the Administrator User Guide (at the top of this page) for more information.

**Contact Information**

If you have questions or are experiencing problems, please contact us.
